Dear Mr. Dulles:

There is enclosed, as of possible interest, a monograph entitled "Communism versus the Jewish People."

The purpose of this monograph is to highlight the fundamental differences between communism and the religious, cultural, and political ideals of the Jewish people, and to show that the communist movement is incompatible with everything the Jewish people stand for traditionally.

Your attention is invited to the Summary and Conclusions which appear at the beginning of the monograph. */me 11/2*

Copy No. 227 of this monograph is being made available for your confidential information and its contents should not be disseminated.

Sincerely yours,

J. Edgar Hoover
